Beauty & Care

Olivos Olive Oil Soaps are the natural artisan products made for bath & body to soothe the body, mind, and soul. Not all of the olive oil soaps, even though they are claimed so, are made with natural olive oil. Manufacturing high quality and healthy olive oil soaps requires expertise as well as the use of high quality ingredients. Olivos Olive Oil Soaps are very exceptional products of which the olive oil used in production is a very special pure blend of Edremit Region. Olivos promotes a sustainable environment and high quality beauty & care by using hand-picked, natural and organic ingredients with beneficial results. We believe that all natural soaps should be beautiful, functional and elegant to use. All of our soaps have a natural caring and firming effect on the skin and designed to calm, purify, reinforce and enrich the skin & soul. In terms of the unique blend of extra virgin olive oil and essences, our brand is unique in the market. Olivos is proud to offer you elaborately handcrafted soaps.

OLIVE OIL

Benefits of olive oil for the skin were well-known among the ancient people. Olive oil contains major antioxidants which work as cleanser, moisturizer, and protector of skin. Extra virgin olive oil, all by itself, is one of the best beauty secrets. These antioxidants have the natural ability to stimulate the cells and take the skin to a firmer, smoother, and healthier looking state. Olive oil repairs and renews the skin that exposed to the sun, air pollution, and modern-day environmental hazards. Olive oil is a rich beauty powerhouse that helps you look younger and keeping your skin glowing and even calming irritation. Selected fresh Olivos olive oil is used in all of our handcrafted soaps, carried from natural habitat to your bathrooms with love.
